

REMARKS/ARGUMENTS

In response to the Office Action mailed April 10, 2007, Applicants amend their application and request continued examination. In this Amendment claim 19 is newly cancelled, leaving claims 1-9, 11, and 15 pending.

All examined claims, with the exception of claims 1 and 8, were stated to be allowable subject to certain alleged informalities. In this Amendment, examined claims 1 and 19 are combined as amended claim 1. In addition, an unnecessary and duplicative limitation in former claim 1 is removed. Since claim 19 was indicated to be allowable, the amended claim 1 submitted here is allowable. Further, the objections as to form of many examined claims are all resolved by this claim amendment since amended claim 1 provides the antecedent basis required for the cited terms. Two minor amendments are made with respect to issues of form in two other dependent claims.

Since the foregoing Amendment places the application in form for allowance, according to the Office Action, discussion of the prior art rejections is not necessary nor supplied. For the same reason, entry of the foregoing Amendment and allowance of all remaining claims are appropriate and earnestly solicited.

Respectfully submitted,
